me

Hi! My name is Kiki Maree (she/her) and I am a Sexologist, inclusive Sex Educator, and sexological bodyworker, and I specialise in women & vulva haver's sexuality. I hold a PgD in Sexology, I am the CEO of Yonilicious, and the Director at the Yonilicious Academy of Sexuality.

I am a trauma-informed educator and practitioner, known for my holistic and knowledgeable approach to sex education, sex coaching and bodywork.

my work

"As a dedicated and experienced sexologist with a decade of expertise, I have been passionately helping individuals of all genders worldwide to enhance their sexual well-being and relationships. My journey in the field of sexuality has been marked by a commitment to education and empowerment, guiding people towards a deeper understanding and appreciation of their sexual health."

credentials

- Post Graduate Diploma in Sexology
- Managing Risk in Clinical Supervision
- Bachelor's degree in International Studies, with a focus on women in culture & religion, majoring in sociology
- Trauma, the brain & memory
- Certified Training Provider of Yoni Massage & Sex Coaching
- Trauma-informed care & communication

I have been consciously studying and working in the field of feminine sexuality for the past decade, and have been teaching this work for over five years. I have studied (and continue to study) a variety of western and eastern modalities over this time.

Some of my more informal education and private mentorship includes:

- Trauma Rewire Therapy
- Emotional Focused Therapy
- Somatic Experiencing
- Gottman Method
- Rites of Passage Facilitator Training
- Therapeutic Yoni Massage
- Red Tent Facilitator Training
- Root Cause Therapy
- Tantric Yoni Massage
- Tantric Massage
- Reiki II

I have walked different paths with personal mentors in ancient lineages of sacred sexuality, shamanism, daoism and women's wisdom teachings. It would be remiss to not mention here my life experiences and their initiations into this work, which I believe to be my greatest teachers of all. My experiential wisdom has taught me far beyond the reaches of what institutes, books and external mentors have.

“I’ve shared this podcast with all my soul sisters. What an amazing gift for us all during this time, thank you!

There are no holds barred and I find myself gasping, laughing, crying and raging at the gut punch teaching moments and heartfelt delivery.”

what people say

“Love, Sex, and Relationships Coach
Doing my yoni massage practitioner
training with Kiki was one of the
best decisions I could have made.

I felt held and support

along the whole journey, the
support didn't finish when the
course did either. She's helped and
gently guided me as I started to put
my work out into the world.

The way she's put this body of work
together made it super easy to
digest, I loved every part of it. Not
only did it help me to become a
yoni massage practitioner, it helped
me have a deeper understanding of
my own sexuality.

Kiki's wisdom and transmission is
like no other, it's very obvious she
was born to do this work.

Doing this training with Kiki has
given me the skills and confidence
to move forward in a direction that I
feel so passionate about.

With the knowledge I took away
from this I now not only offer yoni
massage but also workshops for
women in the realm of sexuality.

Kiki, my teacher, my sister, thank
you and I love you xx”

"Kiki is just so knowledgeable in all things sex and sexuality and she really inspired me on my own journey of self discovery"

"Kiki has been amazing to work with. She's guided me through the program with ease and support.

She was always available to answer any of my questions no matter how small they were and she would also recommend great resources to help me. The course itself was deeply informative

and inclusive, I enjoyed the structure of the course and the 'go at your own pace' style.

Kiki is just so knowledgeable in all things sex and sexuality and she really inspired me on my own journey of self discovery as I worked through the program.

Towards the end Kiki made sure to help me work towards setting up my business and encouraged me to step into my passions and strengths when it came to deciding what direction to go in.

Overall I'm so grateful for having done this course and also for Kiki and her nurturing energy through the whole process. I feel super ready to get out into the world, spread my life and support people on their sexual journeys."
